FRESH DRUGS.

WE are now in receipt of our Fall Stock of DEEGS, which we may safely saywithout compromising our venerity—is the most complete and extensive ever brought to this only. We will not undertake to commercie all the orticles we have on band, as it would be an almost endless task. Suffice it to say, that we have all the articles usually kept in DREG STORES. and earnestly invite the attention of those in need of articles in our line, to our Stock, pledging ourselves to as it on as cheap and accommodating for any fault. They are sound and nearing. It is clear. Such an opportunity to purchase first rate servants but seldom occurs. The mon and woman have lived for many years at or near Glassow, and are well known there.
